## Technical Skills

---

**Languages:** Java, C, Python, HTML, CSS, JavaScript, MySQL, Oracle, MongoDB, Postman

**Technologies/Frameworks:** React.js, Next.js, Bootstrap, Tailwind CSS, Linux, Git, GitHub

**Engineering:** Data Structure, Algorithms, Object-oriented programming, Database Management System, Operating System, Machine Learning

## Experience

---

### LetsGrowMore

August 2021 – September 2021

Web Development Intern

Remote

- Created a single-page responsive web app with multiple sections for the company.
- Designed an app with a loader functionality for better user interactions and displayed user information.
- **Tech stack:** HTML, CSS, Bootstrap, Javascript, React.js

## Projects

---

### Food Delivery Web App | *React.js, Redux, Tailwind CSS* | [Github](#)

- Created a food delivery web app with real-time **cart functionality** for ordering from restaurants.
- Simplified user browsing with a shimmer effect, dynamic item management, and **CRUD** operations using **Redux**.
- Utilized HTML, Tailwind CSS, and **React.js** with Parcel bundler to enhance the app's styling for a seamless user interface.

### Inventory Management System | *MongoDB, React.js, Next.js, Tailwind CSS* | [Github](#)

- Developed an inventory management web app for real-time stock tracking and total **cost evaluation**.
- Implemented **CRUD** operations, allowing users to add, delete, and update items as needed.
- Utilized **MongoDB**, **Next.js**, and Tailwind CSS to enhance functionality and user interface.

### A Machine Learning Approach for Phishing Attack Detection | *Python, HTML, CSS, JavaScript* | [Github](#)

- Implemented ML algorithms to distinguish legal and phishing URLs, achieving highest accuracy with **Random Forest**.
- Compared multiple algorithms to identify the most effective technique for identifying **phishing** websites.

### Dark Mode Browser Extension | *HTML, CSS, JavaScript* | [Github](#)

- Crafted a browser extension providing Light and **Dark Mode switching** experience through a toggle button.
- The extension enhances browsing with visually appealing styles and smooth transitions, improving **user experience**.

## Education

---

### Terna Engineering College

May 2023

Bachelor of Engineering in Computer Science **9.27 CGPA**

Navi Mumbai, Maharashtra

### Shivai Junior College

March 2019

XII (HSC) **70.77%**

Thane, Maharashtra

### Sri Ma Vidyalaya

March 2017

X (SSC) **91.80%**

Thane, Maharashtra

## Certificates

---

### Postman API Fundamentals Student Expert

October 2023

Postman

### Full Stack Web Development Course

August 2023

Udemy

### Responsive Web Design

July 2022

freeCodeCamp

### Java Programming: Complete Beginner to Advanced

June 2022

Udemy

### SQL Basic

June 2022
